We, the students of Econ7100-M50.2015S at the University of Memphis, would like to donate a check of \$200 to help fund the good causes of your charity.

We have saved collectively about \$4000 using a creative-commons online economics textbook "Livingeconomics" (<http://livingeconomics.org>) edited by our Professor K. K. Fung and would like to express our gratitude by collectively donating \$1800 to our top nine favorite charities in his honor.

We have chosen St. Jude Children's Research Hospital, Midsouth Food Bank, Make A Wish, Boys and Girls Club of Memphis, Children Museum of Memphis, Memphis Zoo, Ronald McDonald House, Literacy Midsouth, and Youth Villages Center as our top nine charities.

We hope our small donation would encourage other students to be equally generous to their favorite charities.

We appreciate the good work your charity has done for Memphis and wish you the best of luck.

Dear Professor Fung:

Thank you for your recent contribution of \$200.00 to Mid-South Food Bank. Every dollar you give multiplies in food value to fight food insecurity and hunger in the west Tennessee, north Mississippi and east Arkansas. Your gift goes so much further to help feed children, families and seniors through our network of partner agencies and programs.

It all adds up to one of the most powerful ways possible for you to help those in need in our community. Everyone needs proper nutrition to be able to live a healthy life. From the child who must have good food in order to grow and thrive to the senior whose daily medicines don't work as well without the support of an adequate, healthy diet. We all know the importance of nutrition in our daily lives and your generosity makes that essential nutrition possible for so many who struggle put food on the table.

As we welcome the warmth of Spring, please know you have our warmest appreciation for your caring support.

With Gratitude,

Estella H. Mayhue-Greer

Dear Mr. Fung and Students,

Thank you for your generous gift of \$200.00 to Ronald McDonald House Charities® of Memphis. Donations like yours help us provide lodging and supportive services for families facing serious illness – and provide them with care, love, and strength to face each new day together.

No family ever pays to stay at Ronald McDonald House of Memphis. Contributions from donors like you helped us provide stays to over 800 families last year. Through helping us provide a comfortable “home-away-from-home” you are giving these families a little less worry to carry on their shoulders, and more opportunity to focus on precious quality time together.

Ronald McDonald House Families describe their experiences the best:

“As a mother Ronald McDonald House means everything to me. The comfort, the safety, knowing my sons are okay, that we are not alone. That’s probably most important to me, the knowledge that we are not going through this alone. This house makes me feel like my children are not spending a year in a hospital. Instead they get to spend time in this most amazing place.”

–Misty, Brayden’s Mom

On behalf of the hundreds of families, like Misty and Brayden, that will stay at Ronald McDonald House this year, thank you for helping us give the gift of childhood.

Gratefully,

Caron D. Byrd
Executive Director

Dear Dr. Fung:

We are so grateful to have received your gift of \$200.00 to benefit Make-A-Wish® Mid-South. Your gift will have a lasting impact on the lives of the children we serve, as well as their families and communities. More than 4,600 children across the Mid-South have felt this impact.

Each year the Mid-South Chapter continues to advance its mission of making wishes come true for children with life-threatening illnesses to enrich the human experience with hope, strength and joy. Through wishes granted we have seen thousands of lives changed forever.

Wishes are profoundly personal and health professionals who treat wish kids, including nurses and doctors, overwhelmingly believe that the wish experience can improve a wish kid's physical health and serve as a turning point in the child's battle for health.

Whatever the wish may be - to have a shopping spree, to be a Superhero or to go to Australia (please see Kaden's story attached) - it is a time for a child to enjoy their youth and stop thinking about doctors, medicine, and hospitals.

Supporters like you make it possible for us to temporarily restore the childhood of wish kids, during the toughest times of their young lives. Imagine the feeling of excitement, hope and joy emerging in our wish kids for the first time in months, possibly years. Since Make-A-Wish Mid-South's founding in 1986, a wish child has never been turned away due to lack of funding, and because of you we are able to continue making wishes come true.

Thank you again for all you do to help us *share the power of a wish®*!

Best Wishes,

Dear Professor Fung and the students of ECON7100,

Thank you for your gift of \$200.00. One in seven Memphians cannot read this letter. Every day, the Literacy Mid-South staff, board, and volunteers work to lower this statistic through high-quality literacy instruction, resourcing educational organizations, and creating shared community experiences to promote lifelong learning. **Please know that this would not be possible without the generosity and support of friends like you.**

Ashley, a student enrolled in our Adult Learning Program, dropped out of high school after enduring years of bullying due to her low literacy. With the help of her dedicated volunteer tutor, Ashley is now strengthening her reading comprehension skills and learning how to navigate technology. She says our Adult Learning Program has changed her life, and she no longer has to rely on others to help her get by. Literacy has also empowered Ashley to be a more engaged parent. Equipped with the necessary literacy tools, Ashley is now preparing to take the GED, which will allow her to apply for a promotion at work.

Your gift means so much to Ashley, one of the 50,000 Mid-Southernersâ€”both children and adultsâ€”served by Literacy Mid-South each year. This is life-changing work, and we truly appreciate your support in making it happen. Your gift is building a better Memphis. Please join us on Facebook, Twitter, or Instagram to see your gift in action.

This letter is your official receipt and should be kept with your tax records if you plan to deduct your charitable contributions. No gifts or services were given in exchange for this deduction.

Mr. K. Fung & UM Econ Students

Thank you so much kind friends,

Thank you for your recent gift in the amount of \$200 to the Boys & Girls Clubs of Greater Memphis. Your investment helps make a difference in the lives of nearly 4,000 kids in the Memphis community by providing an after-school program that builds a solid foundation for success and the confidence to know they can achieve anything.

Chelsea Granberry, a 2014 high school graduate who attends the Buckman Boys & Girls Club has always lived by the motto "hard works pays off." With both of her parents working hard to provide for her family, Granberry cleans the house, does the laundry and holds a part-time job to help provide money for her family as well while maintaining a 3.4 GPA.

"As a member of the Boys & Girls Club, I have learned many valuable lessons that set a solid foundation in my life that will help in pursuing my future goals."

Her hard work has paid off. Chelsea received \$210,000 in scholarships from five colleges/universities. Granberry graduated 12th in her class from the City University Charter School. After graduation, she plans to attend the University of Western Kentucky where she received in-state tuition (equivalent to a \$43,000 scholarship). She will major in Chemistry with a pre-pharmacy focus to achieve her life-long goal of becoming a Pharmacist.

It is because of donors like you that we are able to make an impact in the lives of young people, especially those who need us the most, to reach their full potential as productive, caring, responsible citizens.

We sincerely thank you for making success stories like Chelsea possible and your commitment to be the difference in the lives of Memphis kids.

Sincerely,

Larry Pennington
